Lizzie Curry was a plain girl in her twenties whose family was worried as much about her not being able to get a husband as they were about their dehydrating cattle. No matter how hard they tried, her brothers could not marry her off.

Seemingly out of nowhere a man who called himself Bill Starbuck, "The Rainmaker," appeared. He promised to bring rain for a fee of $100. H. C. and Jim Curry thought it was worth a try, but Noah, the more sensible one and head of the ranch, and Lizzie didn't believe him.

The Curry family finally agreed and paid the $100. Starbuck not only went to work to bring rain, but he also persuaded Jim that he wasn't stupid and Lizzie that she wasn't as plain as she thought she was. Just as she believed she was pretty, her father and Jim believed he could make the sky rain.

"Brigadoon," by Lerner and Loewe, was the musical performed by the students at HHS, April 30 and May 1.

Brigadoon and its people were blessed with a miracle. Every morning when the townspeople awoke, it was 100 years later and so on for eternity as long as no resident of Brigadoon left.

But a strange thing happened. Two hunters from America traveled to Scotland to do some hunting and were lost when they heard some strange faraway music. They followed their ears and stumbled into Brigadoon.

Things happened as things do and during the course of day, Tommy Albright fell in love with Fiona MacLaren.

In the four months after Tommy and Jeff Douglas had returned to the states, Tommy's heart was in Scotland with Fiona. Finally, his heart won out and he and Jeff returned to Scotland to try and find where Brigadoon was.

Back at Scotland, Mr. Lundie was awakened by Tommy and Jeff's voices. He guided Tommy Albright back over the bridge to Brigadoon forever, a trip made possible only by his deep love for Fiona.

Jeff Douglas (Dave Cleland) and Tommy Albright (Jim Volkert) are lost in a "fine forest."

The townspeople begin their fair with the Vendor's Calls.

The ladies of Brigadoon also join the Vendor's Calls.

Meg uses her beguiling nature to enchant Jeff rather unsuccessfully.

Student Council Changes Lunch Dismissal

During the past year the Hicksville High School student Council, under the direction of President Greg Slattery, sponsored the 1975 Homecoming. Featured at the Homecoming dance were Marv Blanchard and the Misty's. The student Council also sponsored Sadie Hawkin's Day, providing a record hop for the occasion.

Greg Slattery, along with his fellow officers Mike Zimmerman, Vice-President, and Mary Whonsetler, Secretary, helped the Student Council change the lunch bells system. The school now leaves by floors on an alternating system. Also, during the Easter season they provided Morning Meditations in the gymnasium for all interested students. These services featured Reverend Calvin Martin and other speakers.

Varsity Club Works At Basketball Games

The HHS Varsity Club performed several vital functions for the school and accomplished some very worthwhile projects during the past school year.

Throughout the entire basketball season various Varsity Club members held ropes along the sides of the gymnasium between the reserve and varsity games and also at halftime. In doing this, they prevented people from walking out onto the court, thus protecting and preserving the gym floor.

Other members of the Varsity Club sold programs during basketball games. The money raised from selling the programs went into the Athletic Fund. The Club also purchased the display board which was mounted in the lobby. On the board were posted team schedules, records, and messages.

During the first meeting, officers were elected for the coming year. John Battershell was elected President, while the Vice-President went to Randy Stuckey. The members also decided to buy shirts signifying that they were in Varsity Club because not just anyone can join. To be able to join the Varsity Club, a student has to win varsity letters in two different sports, which is quite an achievement.

President John Battershell and Vice-President Randy Stuckey arrange the display board purchased by the Varsity Club.

Junior Ken Boyce and Senior Jeff Pepple led the Aces contingent with Ken edging out Jeff for Most Valuable Player. Following close behind were Seniors Fred Meyer, Doug Sleesman, and Junior Jeff Killian all taking medalist honors at one time or another.

BACK ROW - Kim Snell, Pat Street, Rex Hart, Coach Bruce Wolfe, Dave Applegate, Jody Taylor, Mike Richey.

Freshmen were coached by Mr. Bruce Wolfe and ended their season at a very dismal 0-7. The team was plagued with several injuries so the shifting of positions were needed from game to game. Therefore they did not get a chance to work as a unit and their season never got on the right track.

Coaches Tom Sprague and Bill Shepard handled the Jr. High duties this year. Although both coaches have had little experience managing a football team their squad still played respectable in all games finishing at a record of 1-2-3. The coaches of both the Freshman and Jr. High Football teams have learned from their errors and look to the future.

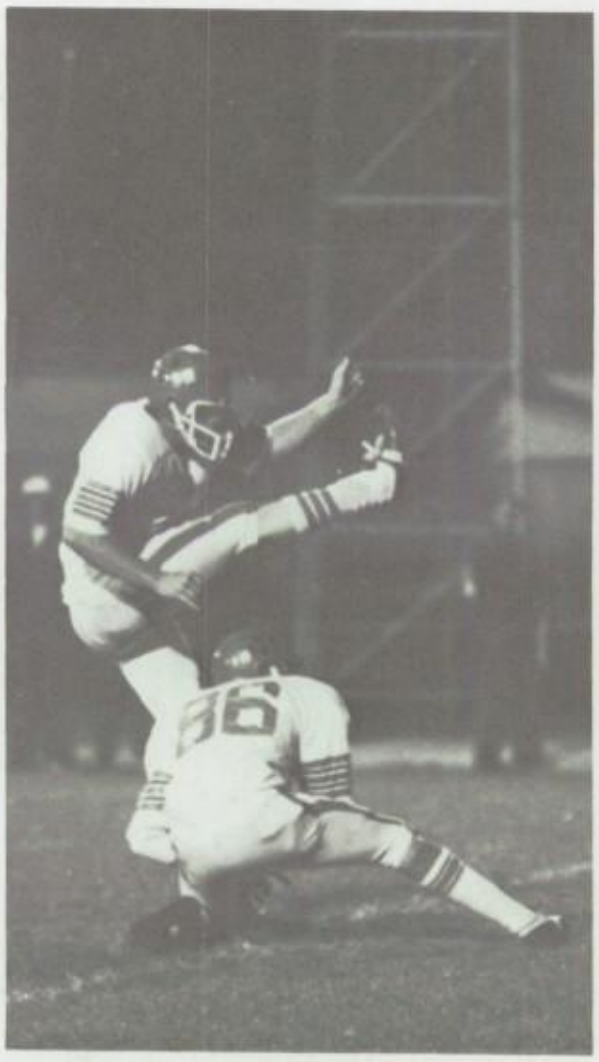
It was another fine season for the Hicksville Football Team as they tied Fairview with a 3-1 record for the Green Meadows Conference title. It marked the 12th consecutive year the Aces won or tied for a League Crown.

Overall on the season the Aces were 8-2. Head coach Bill Metz suffered his first two defeats in 3 years as they dropped a hardfought 14-13 contest to Delta and a 20-8 decision to co-champion Fairview. The Aces also placed 2nd in the Northwestern Buckeye Border League with a 5-1 slate.

Individually the team was led by Senior Ron Cottrell as he scored 58 points and rushed for 580 yards. Senior halfback Steve Conley, injured for part of the season, carried half as many times and gained 419 yards. Signal-calling duties were shared by Randy Headley and Seniors Dan Turnbull, and John Battershell. Defense was led by MVP Senior Randy Stuckey, who also led this team in pass receptions, and Senior Mike Bailey who was second to Stuckey in defensive points. The Reserves were coached by Mr. Tom Hallett; they sported a 3-2-1 record.



With Dan Turnbull holding, Eric Green once again splits the uprights on the PAT.

Coach Bill Metz expresses feelings of disappointment as Fairview picks up a crucial first down.

Record 18-4

Junior Letterman Randy Headley rips off a defensive board in heated action with Edgerton.

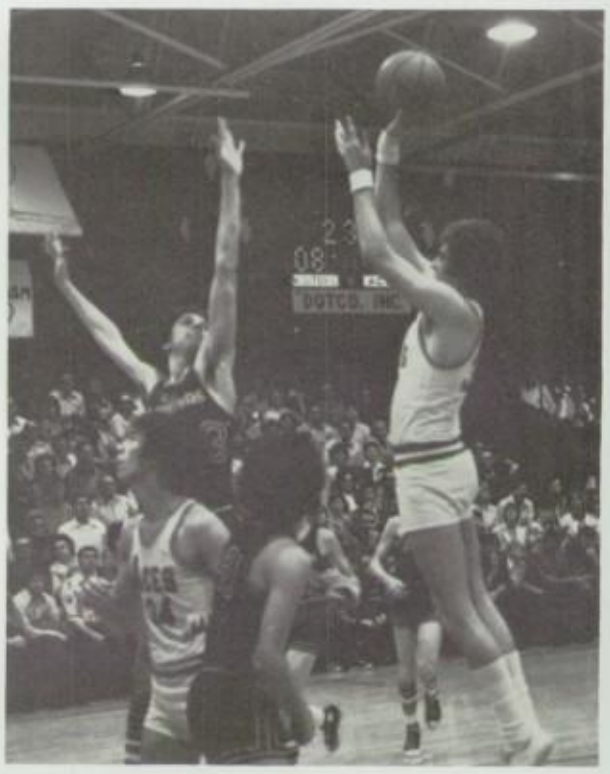
This season produced one of the most successful seasons ever for Hicksville on the hard court. Besides compiling an 18-4 record and capturing the Green Meadows Conference Title with an unblemished 6-0 slate, the Aces went on to become the District runners up to a well polished Pettisville club. Pettisville went on to become the State runner up.

The Cagers started out on the right foot chalking up impressive victories in their first six games before dropping a well played ballgame to Pettisville. The Aces continued their winning ways suffering only minor set backs in highly controversial contests to both Edgerton and state ranked Stryker.

The Roundballers avenged Edgerton by 22 points later in the season and upset Stryker in a thrilling District game 59-58.

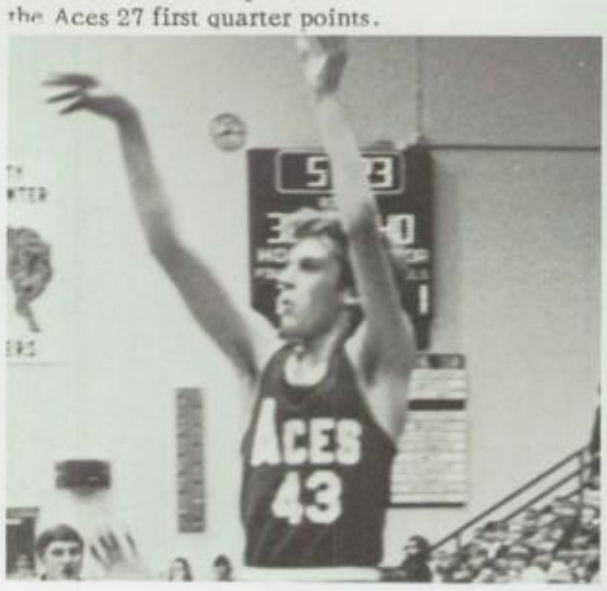
The Aces won sectionals handily before falling to Pettisville in the District Championship. It was a tight ballgame in all respects until the Aces ran out of steam in the fourth quarter.

Senior Ace Jeff Pepple streaks past his man and drops in a crucial two points.



Pivotman Russ Hampson turns and fires in two of the Aces 27 first quarter points.

Leading rebounder Mark Pocratsky grabs another carom and turns to hit the outlet man.



Supersub Jim Stimmel hits two of his 19 points against Stryker in tourney action.

Floor general Jeff Pepple charges down court leading the fast break.

Paving the road for victory all season long were seniors Mark Pocrotsky and Jeff Pepple. Both were named to the first team in the Green Meadows and Buckeye Border Conference as well as honorable mention for state honors.

Mark averaged 14.5 rebounds a game and maintained 16.5 scoring clip. Jeff was close behind averaging 15.9 points a game. Jeff also led the team in assists and directed the team with his excellent ballhandling and leadership qualities. They shot 62.7 percent from the floor.

Also starting for the squad were seniors Dan Turnbull 8.2 average and Jay Carr 5.3 average and Russ Hampson 5.1 average. Juniors Randy Headley was second in rebounding and scored 7.2 points a game while Jim Stimmel in coming off the bench ripped the nets for an average of 11.9 points. The team as a whole shot a remarkable 52.3 percent. They averaged 69.7 points on offense and gave up only 57 points. Overall the Aces team played outstanding basketball on both ends of the court.

Reserve Aces Play Together, Win Together

Although the JV's experienced a slow start this year they still came around to finish with a respectable 8-10 slate under Mentor Jerry Balser.

Carrying the load for most of the season were MVP Bob Lunderman, only a Sophomore, and Junior Jeff Kline. Jeff and Bob maintained 9.9 and 9.1 scoring averages respectively. Bob also led the team in rebounding with 132 caroms.

Juniors Kreg Hesselschwardt, Mike Zimmerman and Steve Snyder were also vital cogs and proved important in the team play as Steve and Kreg crashed the boards frequently and Mike ran the offense while he and Kreg averaged 4.8 and 6.8 points a game. All should expect to see quite a bit of varsity action next year.

Even though the reserve record slipped below the .500 mark the Aces lost 6 games by only a total of 16 points. A big key to most losses pointed to the fact that the JV's averaged 16.4 turnovers a game. Actually the squad averaged 42.2 points offensively while giving up only 39.3 points a game.

Junior Lori Kreg rebounded and scored consistently well throughout the season turning in several outstanding performances. Senior Sharon Snyder and Junior Pam Driver added depth to the starting lineup while Freshman Jodie Peter moved up to the Varsity midway during the season and added another outside scoring threat to the offense.

This year tournament play was introduced into the girls Basketball scene. After receiving a bye in Sectional play the Aces faced a tough Edon squad and dropped a close 1 point decision closing out the girls season.

The Aces had a well balanced scoring attack with Mitch Slattery 12.3 average, Steve Thiel 9.7 average, Tom Turnbull 9.3 average, Marty Shock 8.7 average, and Steve Rodocker 4.4 average. Rex Hart was a sixth starter and averaged 2.5 pts. a game.

In regular season play the Aces only-blemish came to the hands of Wayne Trace in an exciting 43-45 contest. Starting Tournament play the Freshmen averaged Wayne Trace by a score 42-31. Then advancing to the Championship game the Aces were shocked by Ayersville 26-55, a team they had defeated earlier. Despite this setback the Roundballers showed they'll be ready for Reserve and even Varsity ball next year.

As a team they scored 47.9 pts. and allowed 34.1 pts. on the average.

Although neither Jr. High squad sported an eye-catching record this past year there were bright spots which made their seasons more than worthwhile. Under the supervision of Coach John Fast the Varsity developed a powerful one-two combination in the presence of Brent Hook and Steve Hostetler. They scored at a clip of 9.4 and 8.2 pts. a game.

This the 17th year for Mr. John Fast as head coach was certainly not as successful as past seasons.

The 7th Grade under Coach, Dallas Thiel too failed to surpass past achievements. However, with one years experience of play behind them Steve Caryer, Todd Shock and classmates should be ready to compete effectively on the 8th Grade Varsity.

Coach John Fast points out a critical error in defense to reserve Coach Dallas Thiel.

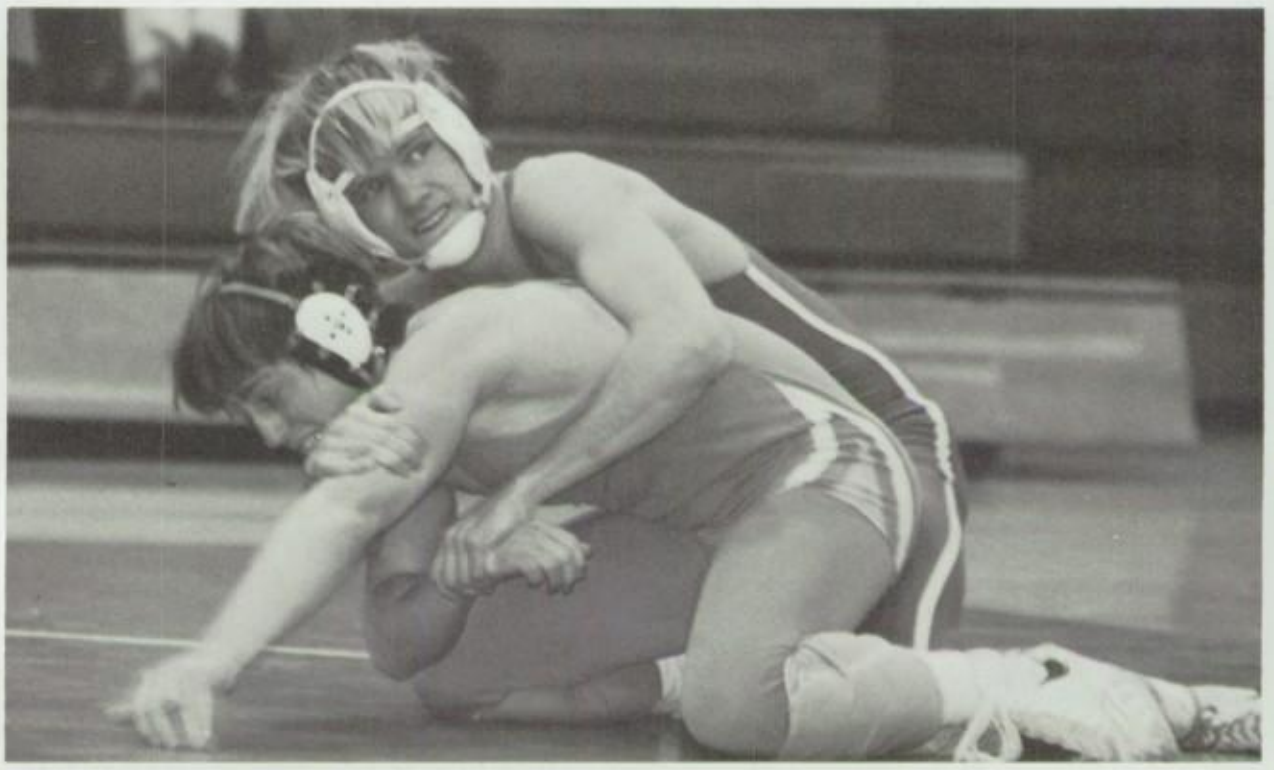
Outstanding is the perfect adjective to describe Junior Mike Wright, Hicksville's classy, 98 lb. wrestler, as he led his fellow Grapplers through a season of continual improvement and their first league championship.

Mike, who posted an unbelievable 22-1 record before heading into state competition, completely dominated area opponents. Included in that remarkable record are 14 pins, of which 11 were registered in the first period.

The Aces' season started very dismally, partly due to a series of untimely injuries to key wrestlers. However, Hicksville kept battling and it paid off with a GMC championship and a more-than-respectable 4th place Sectional finish at season's end. In the BBC the wrestlers captured 3rd with Mike Wright and Senior Bret Guilford taking individual crowns in their weight classes. Dave Johns was runner-up and Jim Brown 3rd in their brackets while Tony Marts, Dave Leonard, and Steve Snyder all placed 4th in the conference match. Mike was named the Most Outstanding Wrestler also.

Senior Ace Bret Guilford works to strengthen his hold on his Ayersville opponent.

Jim "Fish" Brown concentrates on gaining a takedown at the start of his 105 lb. match.



Three year letterman Tim Brown rides his competition into the final moments of the third period.

STANDING - Statistician Carol Thompson, Statistician Kay McGough, Steve Snyder, Bret Guilford, Tim Brown, Dave Johns, Dave Leonard, Brad Shull, Jody Taylor, Statistician Lori Tomlinson, Coach Nate Shaw.

The grapplers tuned up for Sectionals by putting a lock on the GMC title with a 33-27 triumph over Tinora. The tournament proved a huge success for Hicksville as Mike Wright, Jim Brown, Bret Guilford, and Dave Johns all became champions. Dave Leonard captured 3rd place while Tim Brown, Brad Shull, and Ken Miller all secured 5th place finishes.

Moving into District competition Jim, Dave Leonard, and Bret all dropped tough quarter final matches while Mike continued his winning ways and wound up in the Finals. There he met with eventual state champion Reggie Johnson and Mike suffered his first loss of the season. Still his excellent 2nd place showing qualified him for state competition.

There too Mike suffered defeat but gained valuable experience for his hopeful return to Columbus next year. Finishing their tremendous careers at Hicksville were Bret Guilford and Dave Johns in the 126 and 167 lb. weight classes. Bret compiled a 16-2-1 slate including 5 pins while Dave's record stood at 15-5-1 with 4 pins. Junior Jim Brown will return with Mike next year taking another crack at a state quest as he posted a 13-2-1 slate. Other winning records belonged to Seniors Tim Brown, Dave Leonard, and Steve Snyder, and Freshman Dana Ballinger.

Head Coach Jerry Balser measures the discus throws at a home meet.

This spring's track team once again seemed to overpower local rivals even though it came out on the short end of both conference meets. In all invitationals the Aces made fine showings although getting outpointed several times by area powerhouse Edon. Thus in the process the Aces failed to claim a championship although they captured numerous runner-up honors.

The season record through sectionals amounted to an eyecatching 94 wins and 22 losses. In the GMC the Aces finished 3rd although only 4 points removed from first place. Here the Aces lost out on two very controversial calls involving Hicksville runners. Nevertheless the thinclads had individual champions in Tim Thiel, long jump and mile relay, Eric Green, discus, Dave Cleland, mile and 880, and Bob Luderman, Jeff Durre, and Rick Whitaker, mile relay.

In the BBC Edon walked away with the title and with the Aces missing strongman Eric Green they could only manage 3rd. Individual champions for Hicksville were Tim Thiel, long jump, Dave Cleland, mile and 880, and James Wood, two mile. From here the cindermen could only await Sectionals. There they copped a fine 4th place spot with 9 men qualifying for District competition. They were Eric Green, 1st in discus, Dave Cleland, 1st in mile and 2nd in 880, Tim Thiel, 4th in long jump and 5th in 440, Bob Luderman, 4th in 440, James Wood, 4th in 2-mile, Bob Ackerman, 5th in pole vault, and the Aces mile relay team.

4-year letterman Dave Cleland shows how the competition fades during the mile.

Senior Dave Cleland proved to be the only trackster from Hicksville to qualify for state competition as he was nipped in the mile to finish second and was disqualified in the half-mile to keep from qualifing.

The following week Dave traveled to Columbus only to falter from a bad race and place only 8th. Receiving minor consultation, Dave was named the Cresent News outstanding track performer in running events.

Setting school records this past year was Eric Green in discus with a heave of 144 feet 11 inches. smashing his old standard of 137 feet 10 inches. Dave Cleland holding all existing distance records lowered his mile to 4:29.1 and eclipsed the 880 with a 2:00.1 run.

The mile relay composed of Bob Luderman, Jeff Durre, Rick Whitaker and Tim Thiel ran a 3:36.6 to reset that mark.

Senior weightman Eric Green winds up to toss the discus.

Kacee's school record holder in the hurdles plus the broad jump placed 2nd at sectionals in both events. The 440 relay team consisting of Kacee, Senior Sharon Snyder who set a new high jump mark at 4'8", Gale Keeley, and freshman Jill Kline also qualified for district with a record braking time of 53.0.

Jill set a new mark in the 220 yard dash at 29.1 and tied Kacee at a time of 12.1 in the 100 for a new record. Freshman Jodie Welly smashed the old school standard in the 880 with a 2:34.6 thus qualifing her for districts also.

However Kacee proved to be the only one to qualify for state as the speedster placed 3rd at district. Although Kacee failed to make the finals at state her preliminary time still placed her in the top ten.

Freshman Stephania Wheeler who just missed setting a new 440 mark once again breaks the tape against Holgate.

Under the reins of Coach Jean Siler the Volleyball Team completed a very successful season in defeating Parkway, Antwerp and Fairview while dropping several close matches.

Leading the team were MVP's Senior Sharon Snyder and Junior Lori Kreg. Sharon was named 1st team Green Meadows Conferences while Lori and classmate Pam Driver received honorable mention. The rest of the starting line up consisted of Linda Anderson, Kay Handy, Joni Slattery, and June Yoder.

All played well, worked as a team, and contributed to each victory.

After the regular season the Aces took part in the first year for Sectional competition. However, they fell upon hard luck and were defeated in the second round of the tournament.

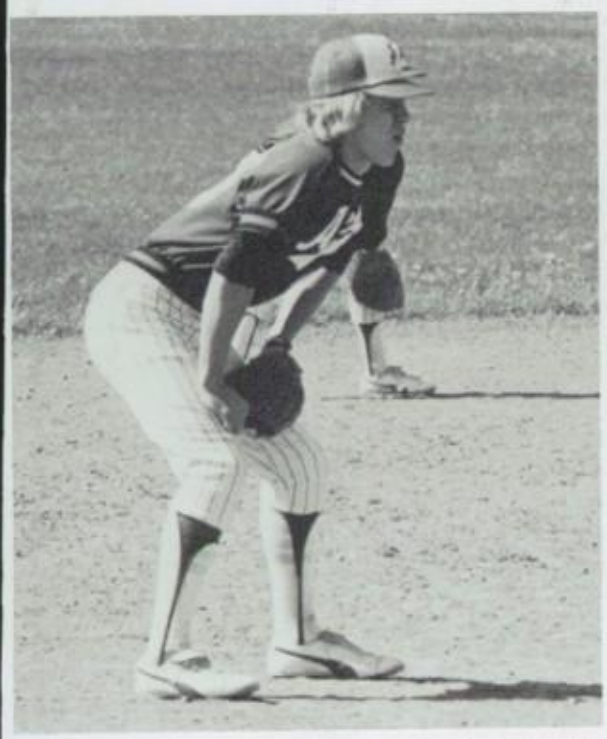
Randy Stuckey Registers No-Hitter



Ron Vanderstelt watches and waits for his chance.

Veteran receiver John Battershell handles the catching duties with remarkable ease.

Senior slugger Dan Turnbull focuses all attention on collecting a safety.

Junior Randy Headley begins his slide into home plate.

Second baseman Mike Wright steps on the bag for the first out of the inning.

Although the 1976 edition of the Aces baseball team completed their schedule with a mediocre 16-18-1 slate, their record tends to be misleading when one analyzes the season.

The Aces started the year on the right foot taking a double-header from defending state AA champion Bryan 11-0 and 4-3 with flame thrower Randy Stuckey firing a no-hitter into the opener. Randy fanned 17 batters along the way. The team played solid baseball until a brief skid before tournament action started. However, the Diamondmen put it together for a sectional win against North Central 3-0 as Senior Stopper Randy Stuckey spinned an impressive one-hitter.

The Aces kept rolling right along into District play as Randy Stuckey once again came up with a big game twirling a one-hitter against Stryker winning 6-0. Hicksville then entered the district Championship with momentum on the event of a 4-game winning streak. However, the Pettisville Blackbirds humbled the Aces by a 12-2 count and the tournament was over for Hicksville. The loss took the wind out of the Aces and they ended the season on a sour note dropping 7 of their last 8 games.

Paving the way all season in the hitting department was Sophomore Duane Cline. Duane carried a hot bat rapping put 43 hits and maintaining a lofty .374 batting average. Following close behind was Randy Stuckey with an impressive .353 average. While on the mound Randy compiled a 7-3 record and allowed only 1.96 runs a game while striking out 115 batters. This pair was named to the 1st team BBC while along with senior backstop John Battershell (.333 average) were named to the 1st team GMC. Randy was tabbed to play in the District All-Star game.

Sophomore Rod Vanderstelt did a fine job for the team batting .347 and driving in 24 runs. While hurling for the Aces Rod chalked up a 5-3 slate with a sparkling 1.47 ERA. Also contributing heavily to the Aces attack were seniors Mark Pocratsky, .343 average and 18 RBI's, Dan Turnbull, .278 average, and juniors Randy Headley, .274 average and 20 RBI's, and Steve Tonneas with a .345 average in the designated hitter's role. The Aces bats spoke for themselves as they carried a hefty .283 team batting average.

Reserve, Jr. High Baseball Post Impressive Records

Russ Cummins leans back and fires home a blazing fastball.

FRONT ROW - Marty Shock, Jim Battershell, Jim Husted, Jeff Killian, Brian Kemerer, Mike Russell. ROW TWO - Diane Burns, Steve Tonneas, Steve Thiel, Ed Jackson, Jim Kares, Gary Slattery, Brad Kemerer, Jim Mellon. BACK ROW - Coach Walther, Dan Fowler, Brad Guilford, Paul Overmyer, Allen Hubbell.

FRONT ROW - BATGIRLS: Connie Rodocker, Lisa Quaintance, Vicki Vanderstelt, Kathy Lloyd. ROW 2 - Pat VonKaenel, Todd Hitzman, Tim Fowler, Bill Volkert, Todd Shock, Kurt Onstott, Dave Slattery, Butch Wright, Jim Miglin. ROW 3 - Russ Cummins, Steve Hostetler, Fletcher Grover, Scott Levy, Dave Whitcker, Mark Lothamer, Jeff Conner, Coach Randy Hardy, Steve Campbell.

The Reserve and Jr. High baseball teams both turned in remarkable seasons this past year with the JV's standing at 11-6 and the Jr. High finishing with a glittering 7-3 slate.

The Reserve Squad, under first year coach Jim Walther, after dropping the season opener to Tinora, trampled in 7 of their next 8 games. Much credit belongs to the excellent pitching staff. Paving the way was freshman Steve Thiel who posted a 6-2 record complemented by an unbelievable 0.39E.R.A. Also heading up the staff was junior Gary Slattery and freshman Marty Shock both with impressive statistics. Gary was 3-3 with a 1.64 E.R.A. and Marty's record was 1-1 allowing only 0.87 runs a game. Steve and Marty combined for a no-hitter against Tinora.

Pounding the ball all season long were juniors Steve Tonneas .341 average, Gary Slattery .325 average, and sophomores Mike Russell .383 average (team leading 18 hits), Dan Fowler .314 average, and Steve Thiel .277 average.

The Jr. High directed by coach Randy Hardy had an outstanding year in its own right, although being put out in the second round of GMC play.

The only blemishes of the regular season were losses to Ayersville in tight 5-6 and 7-5 contests. Entering the tournament the Aces routed Ney by an 8-4 count. However, the next game the diamondmen put it together but wound up falling to Tinora in a narrow 7-8 decision.

Mark Lothamer and Russ Cummins proved to be two of the area's leading pitchers. Russ had two games in which he struck out 13 batters. Mark was also one of the team's best hitters, along with classmates Steve Hostetler and Dave Slattery.

Cheerleaders Take First Places At Camp

The reserve squad for the 1975-76 year was made up of juniors Lori Kreg, and Stacy Campbell, sophomores Beth Hook, Diane Burns, Caril Cherry, Mary Whonsetler and Jill Rodocker.

The Varsity cheerleaders consisting of seniors, Captain Linda Miller, Kacee Craig, Anne Wyatt, Karen Burns, and Juniors Joni Slattery, and Pam Driver once again made a fine showing at cheerleading camp last summer as their scrapbook took first place in competition besides winning other various awards for their skits, pom pon routine and cheers.

The group also attended another camp in January where they took first place as a unit. Then putting all the long practices together they succeeded in boosting school spirit so high that Hicksville enjoyed one of the finest overall athletic seasons ever.

The HHS cheerleading duties, besides cheering, also involved such things as panting locker signs, and planning pep sessions, preparing gifts for ballplayers, and almost every other instrumental act one could think of to encourage the athletes. The 1975-76 cheerleaders actually left nothing to be desired in their performances.

Mary Whonsetler with Kacee Craig atop get into the swing of the football game.

With Reserves cheering with the varsity at football games Diane Burns executes a pom pon routine.

Karen Burns, Anne Wyatt, Joni Slattery, Beth Hook, Kacee Craig, Pam Driver, Diane Burns, Lori Kreg, Caril Cherry, Mary Whonsetler, Stacy Campbell, Jill Rodocker, Linda Miller.

MARIA MACEDO

Maria Macedo was one of the exchange students this year. She is from Goiania, Brazil.

Maria has two older brothers, and one brother and sister that are younger. Her father is an industrial worker and a farmer while her mother is a counselor at school.

Maria stated that there are many things that are different here from Brazil.

Until she came to HHS, Maria had never seen a cheerleader. Also in Brazil, Maria went to school from 7:30 - 11:30 a.m.

She commented that the students in Brazil are quicker to make friends with others, but she liked the students and teachers here.

She enjoys reading, music, and all sports.

Oivind Saevareid was an exchange student from Norway for the 1975-76 school year. He has one sister, Elizabeth, 13. His father is a doctor and his mother is a nurse. Oivind and his family live in a suburb of Oslo.

Born in Korea, Oivind lived there eleven of his seventeen years. However, he attended third grade in an American Military school in Norway during his father's one year from his missionary service in Korea. After that he attended fifth through eighth grades in an American school in Korea.

In Norway, sports aren't connected in any way with the schools. Anyone can participate.

SANDY SCHLOSSER

Coronation 4.

Oivind has traveled to over 40 different countries with his parents and also a system called Inter-Rail. If one is under 21 years of age, one may travel through nine countries for $100-during the summer. The group stays for a period of time in major cities as they travel. Oivind particularly enjoyed the Netherlands, Austria, Yugoslavia, and Germany. Hicksville High school and the school Oivind attends in Norway are relatively the same, he stated.

Original Bell Remains On HHS Grounds

The dress that Mrs. Betty Guilford is wearing is also nearly 100 years old and is authentic.

Mrs. Alice Longsworth is dressed in an authentic wedding gown that is nearly 100 years old.

Reproduction was done by Mrs. Madonna Kenner from an opera poster. Amelia Swilley Bingham was the daughter of John Swilley, owner of the renowned Swilley House. She was working here when she met her "Love." Ms. Swilley married Loyd Bingham and through his coaching became an actress. She became famous and brought much recognition to Hicksville. Mrs. Bingham's career took a nose dive after her husband's death in 1915. She faded into obscurity.

Mrs. Volkert is pictured in her Centennial outfit. Many of these outfits could be seen at Centennial.

This is an aerial view of the old and the more modern Hicksville High School.

Hicksville Village School District was originally two districts, namely, Hicksville Township and Hicksville Village Schools, Hicksville Township originally consisted of nine one room school districts, presided over by a Township Board of Education.

Each of these schools roughly served the children in a four square mile area and were identified by number and their location, or the name of some of the prominent families living in the area; namely No. 1 Six Corners School, No. 3 Hart School, No. 5 Rodocker School and No. 6 Hook or Hickory Grove School.

The Hicksville Village Schools were always located at the corner of Main and Smith Streets and this same location, with a few lot additions, has been the home of at least three different buildings. The first was a T-shaped two story brick school which was outgrown and was replaced in 1896 by the old building remembered by most older people around Hicksville until it was wrecked in 1959.

The original school bell from the building is mounted as a memorial on the corner of the original lot.

The present high school building was moved into in 1939 and has had two additions made to the original structure. The grade school building at the corner of North Bryan and Arthur in 1956, and has had additional space added to its original structure.*

The Grand Parade was held on Saturday at 11:00 a.m. with many entries including Hicksville High Marching Aces, floats entered by area organizations and local businesses. Jay Gould was Grand Marshall of the Parade. Both Jay Gould and Bob Seivers were present at the fair grounds for entertainment in the early afternoon on Saturday. The "Brothers of the Brush" contest judging took place at 4:00 p.m.

Last of Centennial closed with Flea Market, Water-ball, Civil War Demonstration and a Sky-Diving Feature at 4:00 p.m.

Many of the community men and women enjoyed dressing in the Centennial garments. The ladies got some of their outfits from grandma's trunk.

There was a penalty for not dressing in the clothes of yesteryear. A jail housed the people that did not dress providing that they had not purchased a permit. The jail made frequent trips around the business district to enforce the "dress-up" proclamation.

The local men held a bear growing contest. The men were asked to purchase licenses for growing their beards and if an individual did not want to participate in the "Brothers of the Brush" contest, as it was called, they were asked to buy a "Smoothie Permit." The Contest was judged on Saturday of Centennial week.

The Beard Contest and the dressing up in Centennial style were only two of the many festival activities that took place in June of 1975.
